Designer Showcase

This fall, 20 local designers and decorators are transforming two condominiums, donated by Bishop's Landing on Lower Water Street, as part of the Designer Showcase fund-raiser for Kids Help Phone. The condos are open to the public from October 23 to November 16, giving you a unique opportunity to explore one of Halifax's most exclusive addresses and witness the creativity of local designers and decorators. Learn more at www.kidshelpphone.ca.
